

STOP AIDS: Keep the Promise

- AIDS takes the life of 1 person every 15 seconds.
Pause for a moment...
- Last year, 7,000 people were infected with HIV each day.
How many people attend your school?
- Young people aged 15-24, account for 45% of all new HIV infections.
Visit actioncenter.crs.org to urge Congress to fund global HIV programs.
- **Catholic Relief Services** supports more than 250 HIV and AIDS projects in 52 countries.
Visit www.crs.org to read stories of people living positively with the disease.

Catholic Relief Services is the official international humanitarian agency of the U.S. Catholic community.
