

Prayer for Aleppo

Lord Most High,

The first martyrs of the Christian world were children.
We look to Aleppo and hear the cries of your children again.
Make us their protectors.
Make us their advocates.
Make us their deliverance.

Make us like the Good Shepherd,
Keeping the flock from harm,
Standing watch when the wolf comes.

Lord, you are the friend of endangered children everywhere,
May our hands be your hands,
May our eyes be your eyes,
May our hearts be your heart.
May the children of Syria be sheltered in your grace
And be delivered from evil.

Amen
