

Christ Reign

God most high,

Many forces in this world seek my submission.
But you have sent your son for the sake of my redemption.
And my reunion with you in glory.
May I honor no king but him.

Christ reign in my mind.
Help me to see and know God's truth in all things, visible and invisible,
To envision a world where God's justice rules.

Christ reign in my will.
Make me obedient to the just precepts of God,
Faithful to your holy commission.

Christ reign in my heart.
Help me spurn my love of self.
Replace it with a deeper love of God,
A greater love for his people.

Christ reign in my body, my flesh and bone,
My hands and feet.
Put them to work in the building of your kingdom.
Make them skilled and joyful in serving you.
Let them be merciful and tender in reaching out to my brothers and sisters.

Christ reign over me.
Christ, my king.
Christ alone.

Amen
