

TT 5: Examples of Code of Conduct Breaches

Cut these out

A male team member comments on a “pretty girl” during an earthquake drill.

There are rumors that a project staff member added his girlfriend’s name to the list of program participants.

A program participant in your disaster risk reduction preparedness project is told she must have sex with a contracted vendor to get her home repaired.

A male volunteer meets a 16-year-old female program participant in a bar for a drink and takes her to his house for sexual intercourse.
