Facts & Figures

As a leading international humanitarian agency, Catholic Relief Services is changing the way we change the world, with accountability and innovation. Our commitment to our Gospel mission knows no bounds. Since 1943, we go where we are called—to the most remote places, to achieve the greatest impact, alongside the world’s most vulnerable people. Whatever obstacles the world puts in our way, we will not stop until all of God’s children can fulfill their human potential in thriving families and communities; just, peaceful and vibrant societies and flourishing landscapes.
