

CRS Chapters and Clubs,

Thank you for saying “yes” to the call of missionary discipleship—the Gospel call to encounter Christ in our global family and uphold a more just world that reflects the kingdom of God. Together we are building a movement to end global poverty so that all people can reach their human potential and thrive.

At Catholic Relief Services, we believe there is no limit to what we can achieve with a shared vision and commitment. Through your actions, combined with those of millions of others across the United States, we can create lasting change for our one human family around the world.

CRS provides a variety of resources to support your chapter or club, including:

- **Monthly actions**—These include community giving and advocacy actions, especially during times when the national chapter and club community focuses on specific activities, such as fall community-giving events and August recess visits.
 - **Monthly action sheets**—These offer guidance for letter writing, highlight our current legislative focus and suggest ways you can make an impact each month.
- **2021-2022 CRS Chapter and Club Action Planning Tool**—Used with monthly actions and action sheets, this tool helps you plan your year, offering dates and opportunities to mobilize your local community alongside a broader community of CRS campaign supporters.

Because our faith knows no bounds, these actions can harness the collective voice and power of the CRS Chapter and Club community. When we work together as one, we become catalysts for change—catalysts for greater impact than ever before.

Lead by faith. Lead by action. Lead now.
