

Respect, Equity, Diversity, and Inclusion at CRS

At Catholic Relief Services, we are dedicated to putting our faith into action to catalyze transformational change and drive results. How we deliver our mission matters as much as what we do. When our colleagues embody our agency's values, our workplace culture exemplifies Respect, Equity, Diversity, and Inclusion (REDI) for all. This includes ensuring that our systems and structures are congruent with our agency values. These come together in a multi-year initiative of the Vision 2030 strategy, to measurably move REDI forward and advance our mission at CRS.
