CRS UNIVERSITY
SALT SUMMIT 2022

Catholic Relief Services’ Student Advocates + Leaders Together Summit—SALT—is a national gathering for student leaders and staff advisors to learn about CRS, gain skills for your campus work to end global poverty and take meaningful advocacy action by meeting with members of Congress.

Who?

- Campus delegations of up to five people are invited to participate.
- We encourage at least one staff member and one or two incoming sophomore and junior leaders to attend.

What?

Over the course of three days, students and staff advisors learn about CRS’ work around the world, receive training to take impactful action and mobilize their campus communities, and network with other campuses and CRS staff. A pinnacle of the CRS SALT Summit is the opportunity to meet with members of Congress to advance policies that address global poverty.

Where?

How Much?

COVID-19 Precaution

CRS prioritizes the health and safety of staff and partners in everything we do, which is particularly important during the COVID-19 pandemic. All staff and participants must comply with the most current CDC and local public health guidelines as well as Loyola University Maryland’s recommendations. This could include, but not be limited to: being fully vaccinated and boosted against COVID-19, wearing masks, receiving a negative COVID-19 test prior to arrival, and maintaining social distance. Please visit crs.org/salt for more detailed information.

*Limited scholarships are available for travel expenses to ensure that cost is not a barrier to participation. Please indicate on the campus registration form if a travel scholarship is required.
