

## Help us Walk in God's Light

You who forms our future,  
help us to look beyond horizons.  
Help us envision peace that we may carry it  
and pour out your peace as vessels in your hand.

You who sees our souls,  
help us to look beneath the surface.  
Help us recognize the needs that we can meet,  
as you have blessed us with the means to help.  
Help us discern the paths of wisdom  
that we may walk ever in your will.

Look, O Lord, look upon us with mercy,  
so we might look upon others with compassion.  
Bring light to our darkest hours,  
so that we can see with eyes of faith.

Create in us pure hearts  
so that we may see our God,  
and gaze upon the beauty of the Lord  
all the days of our lives.

Amen
