Peace Be With Us

How long, O Lord?
Your servants asked.
Your servants sought an end.
They sought a time of renewal.
How long O Lord?
How long shall we endure
division, rancor, injustice?
When is the end of it?
How long O Lord?
Shall we remain impenitent,
impatient, and unruly servants?
When will we bend the knee
and seek your face
and learn to live in peace?

Amen
