

Shout to the Lord!  
It is right to give him thanks and praise.  
Arise in the morning with gratitude!  
Stop midday to remember his love and mercy.  
Bow at night in faith and trust in the Lord.

Yes, he carries us over impossible ground,  
while we're too tired or distracted or proud to notice.  
Yes, he wipes away tears, binds wounds, makes hearts glad.  
When nothing changed, when evil seemed still to preside,  
He swept in, gave us courage, helped us persevere.  
When we were still a long way off,  
it was he, our Lord, who came running to us.  
Did he love his enemies? He died for them!  
Yes, God is our hope and our shield and our very present help.

Yes, Lord, yes. We say "yes" to you.  
As Jesus is your "yes" to us.  
Shout to the Lord.  
Shout "yes!"

Amen
