I. Background:

Catholic Relief Services (CRS) is implementing “Ke Ngoana Rona” (This is Our Child), a three-year early childhood development project in Lesotho which is meant to transform and improve the quality of childcare services at 30 target daycare centers (DCCs) in Maputsoe (Leribe district) and Thetsane (Maseru district) industrial settlements, resulting in improved nutrition, health, and developmental outcomes for children aged 0-4 years through an affordable and replicable model of daycare center services. Core project components include:

1. Enhancing quality daycare through improved infrastructure and training of Daycare Center Providers (DCPs) to provide age-appropriate stimulation and play-based learning; support proper child nutrition and hygiene practices; and provide childcare that meets national guidelines.

2. Linking DCCs with village health workers (VHWs) for immunization and micronutrient status verification, malnutrition screening, deworming and referral, where necessary.

3. Developing a replicable business model that allows DCPs to offer affordable, quality services and earn a living wage.

4. Supporting parents to pay for care through the establishment of Savings and Internal Lending Communities (SILC).

5. Promoting adoption of national daycare center guidelines informed by the global nurturing care framework, ensure centers’ compliance, and promote government support of centers to improve quality and access through engagement and advocacy with Lesotho Government stakeholders.
This scope of work concerns the project component: Developing a replicable business model that allows Daycare Centre (DCC) providers to offer affordable, quality services and earn a living wage.

The purpose of this strategic objective is to capacitate DCC providers with business management, financial and marketing skills so they are better able to effectively run and administer their DCCs in a structured, transparent, and accountable way. Moreover, their DCCs should demonstrate sustainability and growth.

During the first year of project implementation, Ke Ngoana Rona accompanied 10 DCCs through a process to achieve the above stated goals. The process consisted of four aspects including a business diagnostic assessment, business management training skills, coaching and mentorship, each described below.

Diagnostic Assessment: Collects information on the business and owner (DCP), including financial information on the business and examines the firm’s gross profitability and break-even. The small business diagnostic captures areas of management performance and identifies gaps and areas for capacity strengthening.

Business Skills Training: 10-13 modules delivered over three phases to DCPs. The training covers holistic business management skills, including core concepts of financial management, with simplified financial records and tools for day-to-day business tracking and monitoring.

Business Coaching: delivered to DCPs, through two modalities, five one-on-one coaching sessions and three group/team coaching sessions. Participants are coached on 5 identified priority areas which were found lacking and hindering growth of their businesses.

Mentorship: DCPs are provided with ongoing mentorship in the form of three (3) individual mentorship sessions where a mentor meets with a mentee and one (1) group mentorship session where they meet collectively. Mentors are identified from past DCPs cohort based on meritocracy and availability.

II. Objective:

The main objective of this scope of work is to document each above-mentioned stages in a manner to allow replication of the process by others. The consultant will work with the current business and entrepreneurship advisor to capture and document all the trainings and articulate in detail activities for each stage, outline supporting documents, and provide timelines and a how-to guide for each stage. This should take the form of a comprehensive DCC business trainers' guide which comprises the aspects described above, and comprehensively incorporates the elements of training and accompaniment that were provided to Cohort One, in a replicable guide that will be used by trainers of future cohorts.

Consultant hereby accepts the engagement as a consultant to CRS and agrees to provide the consulting services set forth in the Scope of Work on the terms and conditions described in this Agreement.

2. **Independent Contractor.** Consultant shall provide services under this Agreement as an independent contractor, and not as an employee or agent of CRS or any subsidiary or affiliate of CRS (collectively, a “CRS Entity”). Nothing in this Agreement shall at any time be construed so as to create the relationship of employer and employee, partnership, principal and agent, or joint venture between Consultant and any CRS Entity.

3. **Term of the Agreement.** The term of this Agreement (the “Consulting Period”) shall be determined by the Start and End dates indicated in the Project Information section of the Consultant Information Sheet, which is attached hereto and incorporated to this Agreement by reference. The Agreement may be terminated before the end of the Consulting Period only in the circumstances described in Article IV. In the event that CRS and the Consultant wish to extend this agreement beyond the expiration date, the parties will mutually agree in writing to the extension prior to the End date. Absent such written agreement, the Agreement will automatically expire on the End date.

4. **Time and Attention.** Consultant shall devote such time and attention to Consultant’s duties under this Agreement as may be necessary to discharge the duties properly, and Consultant shall exert Consultant’s best efforts in the performance of the duties. Consultant shall not be subject to a fixed work schedule, but shall be available, consistent with Consultant’s personal needs and other commitments, to provide the services set forth in the Scope of Work during the Consulting Period. Notwithstanding this section, with regard to any
and all dates and time periods set forth or referred to in this Agreement, the attached Scope of Work and the attached Consultant Information Sheet, time is of the essence.

5. **Business Activities.** Consultant’s services under this Agreement shall not cause Consultant to be directly involved in the business operations of CRS. Consultant shall have no responsibility for the day-to-day management of any CRS Entity, nor shall Consultant supervise, or be supervised by, personnel of any CRS Entity. Consultant shall have no authority to execute any document or enter into any contract on behalf of a CRS Entity, or to bind a CRS Entity in any relationship with a third party.

6. **Non-exclusive Agreement.** CRS acknowledges and agrees that during the Consulting Period, Consultant is free to engage in other business activities or to provide consulting services to other parties without the approval or consent of any CRS Entity.

7. **Reports and Data.** All reports and data prepared by Consultant in connection with the services performed under this Agreement shall be the property of CRS and shall not be used by Consultant in connection with any other activity.

---

**Article II**

**COMPENSATION AND EXPENSES**

1. **Compensation.** As compensation for Consultant’s services under this agreement, CRS shall pay Consultant in the amount, by the method, and in accordance with the payment period/frequency schedule stipulated on the Consultant Information Sheet, which is attached hereto and incorporated in this Agreement by reference. Consultant shall receive no other compensation for providing services under this Agreement. On an agreed upon basis, the Consultant shall submit to the CRS Contact Person an itemized invoice, preferably by email, for the Services, and/or any additional Services, based on the payment terms as set forth in the Consultant Information Sheet and any authorized expenses incurred. For any US bank used for payment, the Consultant can be paid by check or direct deposit and for banks outside of the US, the Consultant will be paid by wire transfer.

2. **Equipment and Work Space.** Consultant shall provide basic office equipment (including computer, fax machine, and/or copier) and work space at Consultant’s expense as necessary to provide services under this Agreement. If it is necessary for Consultant to perform consulting services under this Agreement at CRS’s place of business or using CRS’s specialized equipment, CRS may provide temporary work space or may make available specialized equipment to Consultant to the extent CRS deems necessary.

3. **Business Expense.** Consultant may hire at Consultant’s own expense, without prior approval of any CRS Entity, any assistants or other personnel necessary to enable Consultant to provide services under this Agreement. Consultant shall be responsible for any
such business expense incurred by Consultant in connection with the performance of services under this Agreement. CRS shall not reimburse Consultant for any such business expense.

4. **Other Expenses.** CRS shall reimburse Consultant for reasonable expenses incurred in connection with the performance of the Services solely to the extent identified on the Consultant Information Sheet. Invoices for such reimbursable expenses shall be submitted to the CRS Contact Person identified on the Consultant Information Sheet for approval, together with all supporting documentation reasonably required by CRS, and CRS shall pay such invoices within thirty (30) days following such approval. Consultant shall maintain books and records supporting all reimbursable expenses incurred in connection with performance of the Services for the duration of this Agreement, and for a period of four (4) years thereafter. CRS shall have access during Consultant’s regular business hours to such books and records of Consultant as required to verify any and all reimbursable costs.

Upon CRS’ prior written approval, the Consultant may arrange for actual, reasonable, out-of-pocket expenses for such travel reasonably required to perform the Services under this Agreement and submit such expenses to CRS for reimbursement in accordance with the payment structure described above in Article II (4). Consultant shall be bound by CRS requirements and policies, provided, in writing, by the CRS Contact Person to the Consultant.

The preceding sentence shall apply throughout the Consulting Period even if Consultant is later reclassified as a common law employee for part or all of the Consulting Period. Consultant shall have no right to, and agrees not to, make any claim against CRS under any workers’ compensation or unemployment compensation statute. Nothing in this Agreement, nor any payments made to Consultant under this Agreement, shall be construed to reduce any severance payment or other benefit to which Consultant is or may become entitled as a result of Consultant’s employment by a CRS Entity before or after the Consulting Period. To the extent that Consultant is entitled to receive benefits under any compensation arrangement of a CRS Entity upon Consultant’s termination of service, Consultant acknowledges that the terms of the compensation arrangement and applicable law will determine whether the distribution of the benefit will be postponed while the Consultant provides services under this Agreement. For the avoidance of doubt, CRS will not pay for nor reimburse Consultant for medical insurance or medical evacuation insurance.
