Prayer for Refugees

Father in heaven,
what privilege you have given us
to seek the Lord of heaven and earth.
By your grace, we bow in prayer before a loving God.
By your mercy, our prayers and supplications are heard.
Your Holy Spirit inspires us to come to your throne.
We seek daily bread, forgiveness of sins, delivery from evil.
We also seek your blessings and comfort on others.
So we lift up all those whose burdens press on our hearts.
Today we have in mind the refugee.
So many are moved to flee because of conflict.
They carry little but hope for a safe place to live.
Give them refreshed lives, Father.
Be their hope as you are ours.
Give them peace and healing and comfort.
Help us practice hospitality when the need arises.
Help us open homes and hearts.
Bless the world’s displaced, Father.
Hear our prayer for your children.
And thank you, good Father, for your love
that encourages us to raise our voices in your courts.

Amen
