Advocacy and Awareness: New York State Advocacy Week 2019

CRS partners from dioceses and universities throughout the state of New York carried out 20 congressional visits in March of 2019. CRS diocesan directors, CRS university partners, the New York State Conference of Bishops and Catholic Charities USA collaborated to organize meetings with 18 Representatives and 2 senators across the state to raise issues of hunger and poverty at the global and local levels. This was a very successful initiative and plans for the Spring of 2020 are underway.
