

DAILY PRAYER FOR THOSE WHO ASSIST REFUGEES

M

*Merciful Father,
Once again I bring before you
the needs of migrants and refugees;
those who have had to flee home and homeland
because of war and persecution,
poverty and violence.*

*As you hear their cries for mercy,
please strengthen us and all those
who are even now reaching out
with compassion and competence
to assist them in their hour of need.*

*In this way, may all come to know that the earth is still full
of your goodness and mercy.*

Amen

Prayer written by Fr. Thomas Nellis and presented to Catholic Relief Services.
