

Prayer for Guatemala

For All Affected by the Earthquake in Guatemala

Lord of Heaven and Earth,

When the mountains shake
And the land trembles,
You are unchanging.

Though tremors may reshape
the horizon
You are eternal.
And it is you we cling to
And you we turn to now.

Be with the people of Guatemala
Recovering from the earthquake.
Help the survivors find safety.
Help the rescuers find strength.
Help mourners find comfort.

And if it be your will
Help the people of this nation
find unity
As together they confront this
emergency.

Amen
