

Prayer for Venezuela

Loving and Gracious God,

Be with our sisters and brothers in Venezuela,
Who are experiencing violence and instability,
Inflation and hunger.

Help all neighbors reach out to those in need.

If it be your will, help us be your vessels:

Vessels of your hope,

Vessels of your mercy,

Vessels of your love and all your blessings,

That all Venezuela may flourish anew.

Holy Mary, Our Lady of Coromoto, pray for us.

Amen
